

# Looking forward to seeing you in Berlin

We are thrilled to invite you to the 2024 IEEE International Conference on High Voltage Engineering and Application (ICHVE 2024), organized by Technische Universität Berlin, Germany and endorsed by IEEE Dielectrics and Electrical Insulation Society.

Our conference is the perfect platform to share your latest research, learn about emerging trends and developments in high voltage engineering, and connect with like-minded professionals from around the world. With a wide range of keynote speeches, discussions and presentations, you'll have the opportunity to explore the latest advancements in the field and gain valuable insights into the future of high voltage engineering.

Join us in Berlin, Germany, from

**August 18-23, 2024**

for a week of sparking discussions, cutting-edge research and networking opportunities with the brightest minds in the field.

Don't miss out on this rewarding experience! Register now for ICHVE 2024 and get ready for a week of inspiration, innovation and electrifying energy.

## Important Dates

Abstract Deadline	January 31, 2024
Full Paper Deadline	March 31, 2024
Final Paper Deadline	July 15, 2024
Conference	August 18-23, 2024

We look forward to seeing you in Berlin!

*Ronald Plath*  
Ronald Plath  
Chairman of ICHVE 2024

### Main Topics

- Electromagnetic Fields
- Transients and EMC
- Grounding systems
- Monitoring and Diagnostics
- Power and Industrial Applications
- High Voltage Insulation Systems
- High Voltage Testing and Measurement
- Aging, Space Charge and Maintenance

## Conference Location

Technische Universität Berlin  
 Straße des 17. Juni 136  
 10623 Berlin  
 Germany

## Conference Secretariat

Technische Universität Berlin  
 High Voltage Engineering  
 Einsteinufer 11  
 10587 Berlin  
 Germany
